FREE TUTORING FOR YOUR CHILD

- Your child is eligible if:
 - He/she receives free/reduced price lunch, **and**
 - Did not pass ISTEP+ (or other measure of academic success).
- Tutoring may take place after school, on the weekends, or during the summer.
- Information about free tutoring is available at: www.scsd1.com.
- WE will also be available on Monday evening, January 24, in the elementary cafeteria from 6:00-7:00 P.M. to talk to anyone individually about the choices available if you need additional information.

A list of providers for our school district and an enrollment form are attached. If you would like your child to receive these free services, please review the provider information and complete the enclosed request form.

After receiving your request for services, a meeting will be set up with you and the tutoring provider to create learning and achievement goals for your child.

If you have any questions or would like more information about school choice, free tutoring, or how you can help us improve, please call **Robert Anderson** at **812-794-8743**. We will be happy to assist you.
