ARTICLE VI
Compensation and Expenses

Section 1. 2023-25 Compensation Plan.

A. General Eligibility.

Under Indiana Code 20-28-9-1.5, a teacher rated “ineffective” or “Improvement Necessary” may not receive any raise or increment for the following year unless eligible for an increase in accordance with Indiana Code 20-28-9-1.5(f).

B. Factors and Definitions.

- (1) Evaluation, defined as an evaluation rating for the prior school year that is neither “Improvement Necessary” or “Ineffective”;
- (2) Education, defined as possessing a master’s degree in the content area as defined by the Indiana Department of Education.

C. Distribution Plan

Returning full-time teachers in 2024-25 who meet the qualifying requirements of the evaluation for the prior year receive a base salary increase based on the following factors:

\$2,000 for the Evaluation factor, and
\$1,000 for the Education factor.

To diminish the extra work on the central office staff, the base salary increases shall be paid out in two equal lump sums, one before Thanksgiving and the other before Spring Break.

Meeting Academic Needs of Students is a teacher retention catch-up which ranges from \$500 to \$1,000 as determined by the parties during bargaining.

(4) Hiring Salary Schedule

i. Education in Core Content Areas

The following are the minimal training requirements for each of the salary levels:

Bachelor Degree
Masters Degree

Masters Degree is defined as degrees or hours which must be in the teacher's content area as defined by the Indiana Department of Education or otherwise authorized by the Superintendent.

Newly hired teachers shall be placed on the schedule based on their degree and years of experience. Each row will equate to a year of teaching experience.

D. General Provisions.

i. Salary Range

For returning teachers, the salary range for 2023-24 before any salary increases is \$40,000 to \$72,900.

After bargaining the salary range is \$43,000 to \$74,350 for the 2023-24 school year and \$45,000 to \$76,777 for the 2024-25 school year.

ii. Starting Salary

Teachers who are hired for the 2023-24 and the 2024-25 school years shall be placed on the starting grid in Appendix A of this agreement. It is important to note that the step number does NOT equate with the number of years as a teacher. Newly hired employees will be placed on the grid commensurate to existing educators with the same education and experience.

iii. Redistribution

Based on anticipated evaluation results, the parties believe that all funds will be distributed and that no redistribution will be necessary. However, in the event that there are funds that were otherwise allocated for teachers not rated ineffective or improvement necessary, those funds will be distributed to eligible teachers on their base salaries.

iv. Salary Raise Requirement and Exception

A teacher rated ineffective or improvement necessary under IC 20- 28-11.5 in a prior year may not receive any raise or performance bonus for the following year if the teacher's employment contract is continued. Teachers in their first two (2) full years of instructing students are exempt from the evaluation rating eligibility requirement and are eligible for a salary increase regardless of their evaluation rating in the prior school year.

Section 2. The salaries for extracurricular activities are set forth in Appendix B. The parties understand that the Board retains its sole authority to hire, promote, assign, transfer, retain or remove any person from any or to any position for which additional compensation is paid.

Section 3. Any teacher authorized by the School Corporation to use his/her private automobile for assigned school duties should be reimbursed for expenses at the IRS rate per mile, while the School Corporation directed or knew of the use of the car.

Section 4. Liability insurance provided by the School Corporation at the date of this Contract

shall be continued during the term of this Contract.

A teacher whose employment terminates with the School District will have their remaining earned compensation paid on the pay day for the pay period in which the last work day occurred. A teacher who dies will have a check prepared for any remaining earned compensation by the pay date in which the last work day occurred and paid pursuant to State law.

Section 6. A teacher who works part-time (one-half basis or less) will not receive any fringe benefits nor receive paid preparation time. A teacher who works part-time but more than half-time will have his/her fringe benefits and preparation time prorated. One-half time shall be considered twenty (20) hours per week. Faculty meetings, conference days and extra-curricular activities shall not be considered in the twenty (20) hours.

Section 7. Teachers who have retired and are receiving benefits from the Indiana State Teacher's Retirement Fund may be reemployed by the School District. Such teacher will be compensated at an amount to be determined by the Board of School Trustees, but not less than a BS - 0 on the salary schedule or the appropriate prorated amount if employed part-time. - B. Retirement Restructuring Program as provided in Section 3 below.
- C. Retirement Benefits for teachers whose first day of teaching was after the 2003-2004 school year. Those benefits will be summarized in Section 4 below.

Section 2. Transition Option Benefits

- A. This benefit ended with eligible staff who retired prior to the start of the 2008-09 school year.**

Section 3. Retirement Benefits for Teachers Participating in the Retirement Restructuring Program (*All Articles and Sections referenced refer to the 2003-2006 Collective Bargaining Agreement.)

- A. All teachers who were (1) employed during the 2004-2005 school year, (2) whose first day of teaching was prior to the 2004-2005 school year, and (3) who did not elect the transition option benefits provided for in Article XIII, Section 2*. will receive retirement benefits only pursuant to this section.

B. Retirement Restructuring Lump Sum Contribution

In response to both the mandates and opportunity provided by Senate Enrolled Act 199 (Acts of 2001) the Association and the School District engaged in a retirement restructuring review for several months in 2004.

As a result of this restructuring, teachers who meet the qualifications in Section 3(A)* above:

The amount of the buy-out contribution was actuarially determined and the amount of the buy-out contribution is set forth in a Memorandum of Agreement dated May 16, 2005 by and between the School District and the Association.

The amount of the buy-out specified in the Memorandum of Agreement is enforceable through the grievance procedure of the Agreement. These contributions will be deposited as soon as possible following the teacher's enrollment.

The total buyout amount will be deposited fifty percent (50%) in the Retirement Savings Plan and fifty percent (50%) in the Retirement 501(c)(9) Trust.

Since this Retirement Restructuring Program is a replacement for the benefits provided for in Article XII, Section 3 of the 2003-2004 Collective Bargaining Agreement a teacher will not vest until the earlier of the following:

1. A teacher having twenty (20) years of experience in the School Corporation and having attained the age of fifty-five (55) by no later than the end of December 31st of the year of retirement (from Article XII, Section 3(c) of the 2003-2006 Collective Bargaining Agreement); or
2. A teacher having thirty (30) years of teaching experience or twenty (20) years of experience in the Scott County School District No. 1.

A teacher meeting the above vesting requirement will become fully vested. A teacher whose employment is terminated prior to vesting will have the then current value of the Retirement Restructuring Buy-Out Payment reallocated at the end of each school year among the then remaining separate Retirement Restructuring Buy-Out Payment accounts in a similar ratio for the reallocation as was the ratio for the initial deposit of the remaining accounts.

C. Severance Pay

A permanent teacher who has (1) twenty (20) years experience in Scott County School District 1, (2) who qualifies for the Rule of 85 under the Indiana State Teachers Retirement Fund (ISTRF), or who (3) qualifies for medical disability retirement shall receive pay for unused sick leave at the rate of Fifty Dollars (\$50.00) per day times accumulated sick leave up to a maximum of 60 days and shall receive Seventy-five Dollars (\$75.00) per year of service in Scott County School District 1.

D. Retirement Notice

Written notice of retirement shall be given by March 1 preceding the teacher's last school year.

E. Health Insurance Benefits During Retirement

Teachers retiring who qualify for Severance Pay as provided above in this Section may elect to continue their current hospitalization insurance with the School Corporation's group health insurance subject to paying the respective health insurance premiums. Individuals electing this option of insurance contribution must do so in writing to the office of the Superintendent along with their retirement notice.

F. Deferred Compensation

1. Retirement Savings Plan

- a. During the 2004-2005 school year, the School Corporation will establish and maintain the Scott County School District 1 Retirement Savings Plan ("Retirement Savings Plan"). - C. The term "day" when used in this article shall mean teacher days (as that term is used in the school calendar of 185 days). During the summer recess, the term shall mean weekdays (Monday through Friday).

Section 2. Grievant and Representation.

- A. An individual teacher, or group of teachers, may present a grievance and may do so through the exclusive representative, and the exclusive representative may thus be given an opportunity to be present at all stages of the grievance machinery. (The adjustment of all grievances should not be inconsistent with the terms of this Contract.)
- B. The Association may file a system wide or class grievance directly at Step 3. subject to the time limits in Step 2, paragraph 3 and 4.

Step Three

- A. If the grievance is not resolved in Step Two, the teacher may, within five (5) days of receipt of the building principal's answer, appeal to the Superintendent, by filing the grievance and the principal's answer, along with a written response of the teacher, if desired, with the Office of the Superintendent, which shall receipt thereof. - G. If there is a failure at any step to communicate the decision on a grievance within the specified time limit, the grievant shall then have the right to appeal at the next step of the procedure.
- H. Any grievance not advanced from one step to the next within the time limits shall be deemed resolved by the answer at the previous step.
- I. Any grievance which arose prior to the effective date of this agreement or after the termination date of this agreement shall not be processed.
- J. No non-tenure teacher may use the grievance procedure in any way to appeal discharge or a decision by the Board not to renew such teacher's contract.

- L. No teacher shall use the grievance procedure to appeal any decision of the Board or administration if such decision is pursuant to any order of or written agreement

with any state or federal regulatory commission or agency.

In the event the School Corporation comes under any court order or conciliation agreement with any state or federal regulatory commission or agency the carrying out of which would affect the terms of this agreement, the parties agree to negotiate in regard to such terms within the scope of the conciliation agreement or order.
