

Curriculum and Instruction

Austin Elementary School uses a variety of resources to provide quality instruction to students. AES utilizes the Indiana Academic Standards as the foundation for its instruction. A link to the academic standards will be provided under each content area. Other resources used in our classrooms include: textbooks, teacher created materials, and online subscriptions.

Reading/ELA

Indiana Academic Standards for ELA:

<https://www.in.gov/doe/students/indiana-academic-standards/englishlanguage-arts/>

Into Reading Houghton Mifflin Company grades K-5
